Steps on the Journey to Success

Welcome to the June 2019 newsletter! This month we are taking a look at some of the steps on the journey to successfully achieving your diploma and going to university!

[Courses](#) 

Celebrations of success

[Hall of Fame](#)

We would love to share your success stories on our website's Hall of Fame

To contribute to the [Hall of Fame](#) please send us a photograph yourself and a paragraph about you to exams@distancelearningcentre.com

It's good if you can give us a summary quote to go with your information - here is what some past learners have said in their summary quote - which may give you encouragement and inspiration if you are just beginning your journey with us!

- ["My entire experience was fantastic" - Rebecca Spencer](#)
- ["I cannot thank them enough for their professionalism, encouragement and support throughout" Becky Fulcher](#)
- ["Flexible, challenging, rewarding, set to a high standard" Shayn Mepham](#)
- ["I had offers from all my university choices before I even completed the course" Temitope Eniola](#)

Achievement Awards

We also love to recognise outstanding achievement! Tutors are currently nominating students for our [Awards of Achievement](#). These are awarded in August each year to up to 10 students who moderated in November or June of that academic year. The winners received half of their Access Diploma fees! All students who achieve a full Access Diploma are entered automatically for these awards - we will share news of the winners in a forthcoming newsletter.

Level 2 Courses

With UCAS applications for September 2020 around the corner (we begin this process in September), many of you will be researching your university application requirements. It is important to check the entry requirements for both Level 2 and Level 3 qualifications.

If you don't have the level 2 qualifications needed we can help with courses in a range of GCSEs and Functional Skills qualifications in English and Maths.

It is important to check which qualification is required - further information about the Level 2 qualifications we offer can be found via the links below.

GCSE

[GCSE Maths](#)

[IGCSE English](#)

[IGCSE Biology](#)

[IGCSE Double Award Science](#)

Functional Skills

June Moderation 2019

710 students have entered the June 2019 moderation process - congratulations to them on the successful completion of their diploma! Grades were submitted to the awarding body Ascentis last week and moderation is now underway. Grades will be finalised in mid July and certificates and transcripts of achievement will be posted out in early August so make sure the address listed on your account is the address you want your certificate to be sent to! For those who have pending UCAS applications, results will be uploaded to that system in the weeks following delivery of your certificate but once you have your certificate and transcript you can contact your university directly to let them know your results.

TOTUM Summer Savings

TOTUM is the #1 student discount card- and now App. There are over 200+ UK discounts and 42,000 Worldwide discounts available.

TOTUM is the ONLY student discount card in the market available to Professional learners.

As a Professional learner with DistanceLearningCentre.com you are entitled to apply for a TOTUM card for as little as £12 per annum.

It may not seem like it when you look out of the window but believe it or not summer is here! And what better way to bring a ray of much needed sunshine into your life than with a whole host of great savings from your friends at TOTUM. Whether it's tasty treats for the barbecue (umbrella not provided), amazing savings on travel or some help getting your wardrobe ready for when the sun finally does arrive, TOTUM is here to help you do more for less. Contact studentservices@distancelearningcentre.com to buy a card!

30% OFF + FREE DELIVERY

Take advantage of a whopping 30% plus free delivery on your Myprotein order with TOTUM. Keep your training on point this summer with the very best in sports nutrition products including supplements, protein powders, vitamins and high-protein foods.

10% OFF IN STORE

Get an amazing 10% off everything in Co-Op stores with TOTUM. With a heatwave (apparently) heading our way next week, it's finally time to stock up on those BBQ favourites. From delicious British sausages to fresh crispy salads and ice-cold drinks look no further than the Co-Op for all your al fresco dining needs!

12% OFF SUMMER ESCAPES

Looking to create your perfect summer escape? Specialists in short getaways, with Super Break you can book every part of your trip in one place. From hotels and rail travel to flights and sightseeing tours get 12% off with TOTUM and give yourself time to concentrate on the important thing - relaxing!

SAVE 10% SITE WIDE

Get your wardrobe summer ready for less with 10% off your ASOS order for TOTUM members. Whether it's a bikini for your summer holiday or a new festival outfit (snorkel optional), get yourself looking and feeling your summery best with discount every time you order.

Target Completion Date

Your target completion date is the date that you expect to complete your diploma by. We often refer to it as the TCD.

You can see this when you log into your learner account. If you think it is a realistic estimate of when you will complete your studies this is fine. However, if you think you may finish sooner (or later) than your TCD please speak to your tutor about this. Your TCD is linked to your payments and extending it could reduce your monthly payments.

Making sure it is realistic not only helps you to plan your time effectively it ensures that costs for your course are spread evenly over the time you plan to study with us. It can also help you plan towards important goals such as moderation if you then review your Individual Learning Plan (ILP) to set goals for each assessment.

Race for Life

Carmen (one of our tutors) is completing the 5K Race for Life in Chester on July 7th. She is doing this with her daughter Bethany- if you would like to support them there is a link below - all proceeds will be in aid of Cancer Research UK.
