Welcome to the newsletter! This is our (usually) monthly newsletter that gives you some news and updates about what is going on with DistanceLearningCentre.com, our staff and our learners.

For learners who are waiting on their certificates from June moderation, there has been a delay in certificates from the June moderation process being issued as the awarding body Ascentis have not been operating from their central offices. Certificates will be issued and distributed before the end of 2020. The Exams Office will email you with the relevant information as soon as they are ready to be dispatched.
