GCSE Results

Well done to all our students who received their GCSE results last Thursday!

Please could students email their results to s.smith@distancelearningcentre.com and your tutor.

If you have not done as well as you hoped then you can continue to study with us at no extra charge. You would only need to pay the resit fee at the exam centre where you are sitting your exam.

New Counselling Diploma

Do you know anyone who is interested in studying Counselling? We have a new Counselling & Psychology diploma and we have included Counselling units in some of our other diploma pathways such as Health & Social Care and Childhood Studies. More information is available on our [Access to Counselling page](#).

Don't forget that we have a 'Refer a Friend' scheme - to refer just send the person's name and email address to studentservices@distancelearningcentre.com. If they sign up for a course with us we will give you £25 once they have been on the course for 2 months.

SAQ answer sheets

The SAQ answer sheet codes have changed so that they are the same as the assessment.

Although this now means that you will not need to ask your tutor for the code for materials when you complete an assessment, it is still recommended that you complete the materials in the order listed on your ILP as this is the order you will
